# SIGN LANGUAGE

## Stay safe and compliant with TRP's new range of Road Safety Signs for trucks and buses.

Australia's tough road conditions need tough signage to survive it. As a safety requirement, your trucks' signage also needs to conform to stringent rules and regulations.

TRP Truck and Trailer Parts' extensive local knowledge means we understand exactly what's needed for Aussie operators, and we've built our product range to match.

From prime movers to rigid trucks, road tankers to vehicle carriers, log skels to tipper dogs, TRP Truck and Trailer Parts offers a wide range of road safety signage to keep drivers and motorists safe.

Importantly, the new TRP safety signage range is compliant with all National and State regulations, and meets all relevant ISO, Australian and National Heavy Vehicle standards.

The extensive range includes rear markers, over dimensional signage and dangerous goods flip signage that covers most truck and trailer applications.

The signage is available in a variety of formats, dependent on the application, including vinyl banners, mesh flags, and aluminium and decal signs in single-piece and two-piece styles. The entire range can be seen in the latest TRP "Road Safety Signs" range guide, now available at all PACCAR Parts and TRP dealerships, Australia-wide.

TRP's latest Road Safety Signs brochure contains detailed installation instructions for different vehicles and sign types and our friendly staff can provide advice and assistance on choosing the correct signage for your requirements.

To find out more about the TRP range of quality products and services, **FREECALL\* 1800 (TRPART) 877 278** to speak to your local dealer or visit [trpparts.com.au](http://trpparts.com.au)

## NEW TRP® STORE OPENS IN TOLGA

The town of Tolga, situated in the Atherton Region of Queensland 88km south-west of Cairns, is now home to a brand-new truck and trailer parts store under the globally successful TRP® brand.

The new store is owned and operated by the Brown and Hurley Group and it is the fifth TRP store the group has opened since 2021. Brown & Hurley held an open day event at the new TRP Tolga store on Friday 18th October, where attendees enjoyed trucks on display, parts specials, an opportunity to meet suppliers, a BBQ lunch, and giveaways.

The TRP brand, positioned as an affordable all makes supplier of high-quality parts for prime mover, rigid trucks, and all types of heavy trailers, now has 289 outlets worldwide, including sixteen in Australia.

The store stocks a high proportion of consumables for all major truck brands, ranging from filtration, lubricant, and electrical products, to brakes, suspensions, steering, wheel ends, trailer parts and accessories. All TRP Parts come with a minimum 12-month warranty.

Brown & Hurley Aftermarket General Manager, Darren Rawson, said "Brown and Hurley are excited to be adding a TRP franchise to the existing Parts Store in Tolga. The Atherton region has a strong presence of Kenworth and DAF product of which was being serviced via a Sublet Dealer, however it made sense to integrate into a recently purchased Brown and Hurley dealership. Our team at Tolga are very excited and looking forward to supporting the customers of that region with Truck and Trailer parts and building new relationships for future growth".

The TRP Tolga store is located at 10 Beantree Road, Tolga QLD 4882. 07 4095 4132, open 7.00am - 5.00pm Monday to Friday.
